

Add the IABC Bronze Quill Awards to the list of events that were drastically different from previous years. Rather than a large ceremony with dinner, drinks and dressing up, winners were announced virtually on the newly created BronzeQuillTulsa.com.

This year, there were 30 Awards of Excellence and 16 Awards of Merit given. This year's "Best of Show" winner, the entry with the highest total score, was awarded to Byers Creative for their entry "Stormwater Quality Group Brand Awareness Program."
